Raiders Lose Two

by Joe Vaughan

The Appomattox Raiders traveled to Nelson last Friday night, only to suffer a defeat, as they were overcome 95-59.

Things got off to a bad start for the Raiders, as they could only score six points in the first quarter, opposed to Nelson's 35.

Appomattox came back in the second quarter to get 26 points, while Nelson scored 23, but as halftime began, the scoreboard showed Nelson with 58, and Appomattox with 32.

In the third quarter, the Raiders were only able to get 12 points. As the third quarter ended, Appomattox was behind by a big margin of 34 points, with the score 78-44.

The Raiders were held to 15 points in the fourth quarter, which wasn't enough to make ends meet. This was the second loss to Nelson by the Raiders this season.

Leading scorer for Appomattox was Enoch Robinson, who scored 15 points. Following behind him were Mitch Eggleston with 10, Hal Smith with 9, Dickie Kelso with 7, and Tommy (Turkey) Wingfield with 6.

The Raiders played at home last Saturday night, as they faced Liberty, the number one team in the district. Appomattox was again overcome by a score of 69-36.

In the first quarter, Enoch Robinson got 6 of the Raiders 8 points. Liberty had 20. Halftime score was Liberty - 33, Appomattox - 15, as Enoch Robinson added 4 more, James Robinson 2, and David Franklin - 1.

The Raiders were held to a slim 5 points in the third quarter as it ended with Liberty on top, 52-20.

Appomattox came back full force with 15 points in the fourth quarter, but it was too late to catch Liberty with their game total of 69.

Enoch Robinson had 13 points and Manly Ferguson had 5.

Of Interest To Veterans

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q - I bought a house in 1954 with a maximum loan guaranty of $7,500 from the Veterans Administration. Since the Veterans Housing Act of 1974 increased the loan guaranty from $12,500 to $17,500, am I eligible for more entitlement?

A - Yes. You would be eligible for the $17,500 guaranty if you sold your home and paid the GI loan in full.

Q - I'm a veteran drawing compensation from the Veterans Administration for a 30 per cent service-connected disability. I'll be 65 and retired soon, and wonder if I can waive compensation and switch to pension?

A - Yes, if you apply to VA and it is to your advantage. The agency will determine this based on information you provide, and pay you the higher benefit.

Q - My husband has just retired after 20 years in military service. Am I eligible for CHAMPVA, the Veteran Administration health care program?

A - No, but military retirees and their dependents are eligible for a similar program of health care, CHAMPUS. Suggest you have your husband check with military sources for details.
